Dear Editor,

Due to doubts about the authenticity of figures 2D and E in the manuscript, and considering the long time since submission and the loss of original data, we are unable to provide the original images. In order to ensure the rigor of our research, we have proactively applied to the journal for withdrawal of the manuscript. After further verification of the images and experiments, we will resubmit and update accordingly. Thank you for your understanding and assistance.

We look forward to hearing from you soon.

Yours sincerely,

Shuai Zhang
